DON RM policy mandates that electronic format records must be maintained in a <u>DON authorized</u> Electronic Records Management System (ERMS)

Shared Drives and SharePoint

Per NAVSEAINST 5210.5B, Shared Drives and SharePoint are NOT authorized locations to store records.

HOWEVER, we may use these locations to prepare records for upload into HPRM, Carderock's authorized electronic record-keeping system.

SUMMARY

RECORDS DISPOSITION

Records disposition does not always mean destroy.

Records that have met their retention times may be:

- Destroyed (shredded, burned, etc.) with CRM approval
- Sent to the local Federal Records Center (FRC) for long-term retention
- Sent to the National Archives for permanent retention

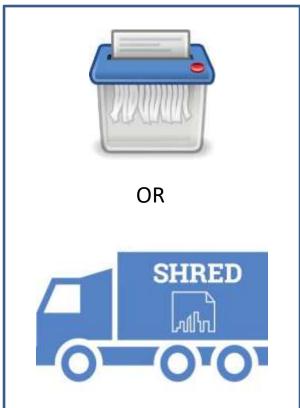

Record schedules define how long to keep records and what to do with them when they have been kept for the required amount of time.

NOTE: If a record still has pending action, it may NOT be disposed of. For instance, if a contract is still awaiting payment, do not dispose of the record until that action has taken place.

Our vigilance is imperative. Anyone with access to these resources has an obligation to protect it.

The very nature of our jobs dictates we must lead the way in sound security practices. Anything less is simply not acceptable.

You may face legal and/or administrative sanctions if you knowingly, willfully or negligently commit security violation.

Personnel Security Program (PSP)

- Access to classified information will be authorized at the level necessary to perform your duties

Eligibility for Access to Classified Material is a privilege, not a right.

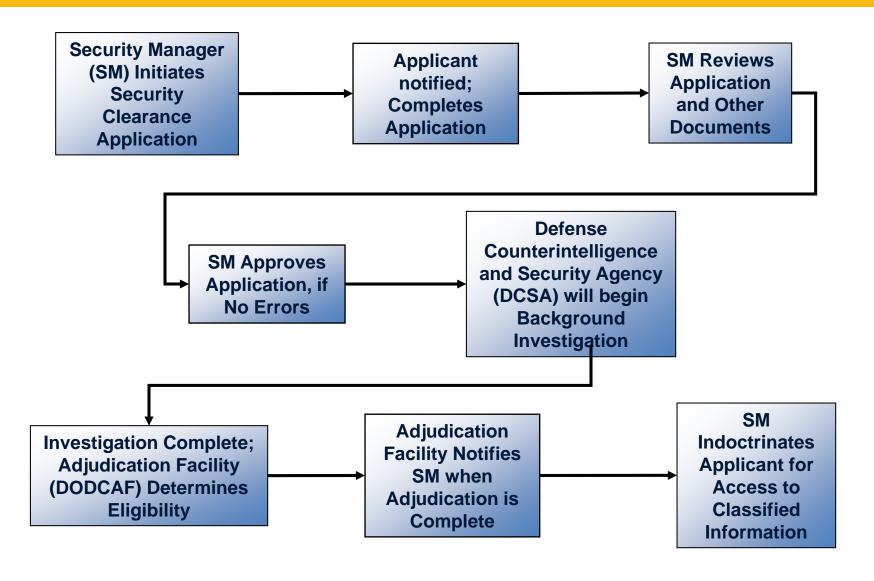

Your Security Clearance

- Position sensitivity and/or duties will determine level of clearance or access
- There are three levels of Security Access Requirements (SAR):

- You MUST coordinate with your Security Manager for all matters concerning security clearance/access!

Security Clearance Process

Security Clearance Investigation

- All DoN government and contractor personnel are subject to a personnel security investigation (PSI) and a periodic re-investigation every 5, 10 or 15 years*
- Investigations are conducted to determine suitability for a position of trust and/or granting of a security clearance
- Your suitability is continually assessed!

^{*}Depending on the level of eligibility

PSI Types

- Must have Basic coverage to be eligible for Optional insurance.
- ➤ 60 days to sign up as a new employee for any Optional life insurance and is effective the date you submit the election.

- > Extra Benefit to employees under age 45, at no additional cost
 - Doubles the amount of Basic insurance payable if you die when you are age
 35 or younger
 - Decreases 10% each year until there is no Extra Benefit if you die at age 45 or older
- Government pays 1/3 of premium, employee pays 2/3
- Cost determined by amount of insurance @ 0.15 per \$1,000

(Ex: $.15 \times 37 = 5.55 per pay period)

https://www.opm.gov/healthcare-insurance/flyers/life-insurance-overview.pdf

Optional Life Insurance

- ➤ High Deductible Health Plans (HDHP): Higher annual deductibles and annual out-of-pocket maximum limits

Choosing an FEHB Plan

- Choosing the right FEHB plan should be based on your own personal needs.
- There are resources available to assist you:
 - Federal Health Benefits Plan Information: https://www.opm.gov/healthcare-insurance/healthcare/plan-information/guides/
 - Plan Comparison Tool: https://www.opm.gov/healthcare-insurance/healthcare/plan-information/compare-plans/
- You are not locking yourself into an FEHB plan for life!

Types of FEHB Enrollment

- > Self Only
- Self Plus One
- Self and Family
 - Eligible family members include:
 - **√** Spouse
 - Children under 26: Adopted child or recognized natural child; step child or foster child living in regular parent-child relationship; child any age who is incapable of self-support (disability existed before age 26)

Opportunities to Make FEHB Changes

- Federal Benefits Open Season
 - Annually in November through December; dates are announced (2020 Open Season: begins November 11 and ends December 9, 2019).
 - Enroll, change plans, or change options.
 - Elections become effective the first day of the first full pay period in January.
- Various life events allow changes to FEHB within 31 days before and 60 days after the event (marriage, divorce, birth of a child, etc.).
- Read all Open Season marketing material for significant plan changes each year.

FEHB Premium Conversion

- "Pre-tax" arrangement: Health insurance premiums are automatically withheld before taxes. If you pay premiums pre-tax:
 - You cannot cancel your insurance or change your family enrollment to self-only enrollment at any time.
 - Your earnings reported to the SSA will be less, which may result in a somewhat lower Social Security benefit when you retire.
 - You cannot deduct health insurance premiums as itemized medical deductions.
- ➤ You can elect to pay premiums after taxes.

Thrift Savings Plan - TSP

- >TSP offers two tax treatments for employees:
 - Traditional TSP (pre-tax): Taxes are deferred on your contributions and their earnings until you withdraw them.
 - Roth TSP (post tax): Taxes are paid on your contributions as you are making them and your earnings are tax-free at withdrawal, as long as you are at least age 59½ (or disabled) and your withdrawal is made at least 5 years after the beginning of the year in which you made your first Roth contribution.

Thrift Savings Plan (TSP)

- Retirement savings and investment plan for Federal employees, much like 401(k) plans.
- ➤ Effective 01 Oct 2020, the automatic enrollment for Traditional TSP will for new hires will be change from 3% to <u>5%</u> of basic pay.
- Can elect to contribute both ROTH and Traditional at any time (no open season) up to the IRS Elective Deferral Limit (\$19,500 for 2020) use GRB to elect to contribute
- Make your fund allocations using the <u>TSP website</u> or the Thriftline at 1-877-968-3778.
- For new participants, contributions are automatically placed in a Life Cycle (L) fund until you receive your TSP account information and submit your contribution allocation.
- L funds are investment mixes that are tailored to meet investment objectives based on various time horizons or target retirement date.

Don't Miss Out On "FREE MONEY"

- Agency Automatic Contributions (AAC)
 - FERS employees are immediately eligible for AAC 1%.
 - Equal to 1% of your basic pay and is paid whether or not you contribute your own money.
- Agency Matching Contributions
 - Agency matches up to 4% on your contributions.
 - Applies to the first 5% you contribute: your contributions are matched dollar-for-dollar for the first 3%, and 50 cents on the dollar for the next 2%.
- ➤ Contribute at least 5% as soon as you are able.
- No Roth option for AAC 1% or Agency Matching Contributions.
- Agency contributions are always tax deferred.

- TSP Lifecycle (L) funds
 - There are five different L funds: L Income,
 L 2020, L 2030, L 2040, and L 2050.
 - The investment mix of each L Fund becomes more conservative as its target date approaches.
 - The L Funds simplify fund selection. You choose the fund that is closest to your target date.
- When you invest in the L Funds:
 - You can be sure that your TSP account is broadly diversified.
 - You don't have to remember to adjust your investment mix as your target date approaches; it's done for you.

TSP Funds

- Five funds:
 - G Fund Government Securities Investment Fund
 - F Fund Fixed Income Index Investment Fund
 - C Fund Common Stock Index Investment Fund
 - S Fund Small Capitalization Stock Index Investment Fund
 - I Fund International Stock Index Investment Fund
- Choose your own investment strategy.

Roth TSP and Roth IRA

- > Roth TSP is not a Roth IRA.
- ➤ Contributing to the Roth TSP does not affect contributing to a Roth IRA.
- ➤ Contribution limits on a Roth TSP is subject to the IRS deferral limits (\$19,500 for 2020) and does not affect the contribution limit if you have a Roth IRA (\$6,000 in 2020).

Can TSP Roth Benefit You?

- ➤ Everyone's situation is different. It is recommended you consult with a financial advisor to determine if Roth TSP should be part of your financial plan.
- Could be more beneficial for younger employees because contributions are taxed at the current lower rate and will avoid paying taxes later at an expected higher rate.
- ➤ Will allow for tax diversification and may see an advantage in making after-tax contributions in order to have tax-free withdrawals in retirement.

Additional Features of the TSP

- Roth TSP contributions will be invested in the same fund allocation as Traditional TSP contributions.
- Loans from your own contributions and attributable earnings while you are in Federal service.
- > Traditional and Roth Catch-up contributions for participants age 50 or older (\$6,500 for 2020).

Telework Defined

Telework is a work arrangement where an employee performs assigned official duties and responsibilities at an approved alternate worksite.

Telework does not include any part of work done while on official travel or mobile work, e.g., site audits, inspections, or investigations.

Examples of alternate worksites:

- Employees residence
- Telework Center
- Another acceptable location (e.g., an office located in another state)

Types of Telework

Regular and Recurring

Approved on an ongoing, regular and recurring basis, defined as a schedule of at least two or more days during a bi-weekly pay period or more.

Type hour code "TW".

Situational / Ad Hoc

Approved on an occasional or case-by-case basis, where the hours worked were NOT part of a previously approved, ongoing and regular schedule.

Type hour code "TS".

 Examples: result of inclement weather or emergency, a medical appointment or other approved leave, to complete short-term special assignments or to accommodate special circumstances even though the telework may occur continuously for a specific period.

Telework Eligibility

Telework eligibility for <u>regular and recurring</u> telework is determined by supervisors based on DoD and DON criteria for both the position and the incumbent.

Eligible positions are then designated as either eligible for only situational or regular/recurring schedules.

Position Ineligibility

- Requires daily handling of classified or unprotected PII/FOUO materials
- Requires daily physical presence due to on-site activity/materials or face-to-face contact with others

Employee Ineligibility

- Conduct has resulted in disciplinary action in the past year
- Performance rating of record is unsatisfactory
- Failure to meet performance requirements of agreement
- Employee is in a trainee or intern status

Individual Suitability

Whether an individual is suitable for approval is determined by the supervisor during the request process

Suitable

- Employees who occupy eligible positions and exhibit suitable work performance/conduct
- Employees who possess a working familiarity with their organizations
- Arrangement is feasible for individual and organizational performance.

Not Suitable

- Employees whose performance or conduct warrants closer supervisory direction than telework may provide
- Employees recently assigned or newly appointed to trainee or entry level positions
- Probationary/trial employees

Closure/Dismissal Situations & Duty Hours

"Telework-ready" employees or individuals under an approved telework agreement, whether situational or regular and recurring, shall telework each regularly scheduled work day during emergency situations.

All teleworkers are required to work during dismissal and closure situations. Plan to be telework-ready when severe weather is forecast.

Teleworkers who are unable to work due to illness or dependent care responsibilities must request and take appropriate leave during office closure or dismissal situations.

If other circumstances prevent performance of duties, the employee must contact the supervisor, who will determine the appropriate duty or leave status to account for the employee.

Keys to Success

- Follow official work schedule at authorized telework and traditional sites
- Consult first level supervisor for collaborative development of proposed telework arrangement
- Comply with the terms of approved telework arrangement
- Document productivity while teleworking and remain engaged
- Adhere to all workplace rules
- Record the appropriate time codes for every telework session (e.g., TS, TW)

Keys to Success

Employees and supervisors must meet mandatory training requirement before a telework arrangement commences.

COMPLAINT PROCESS

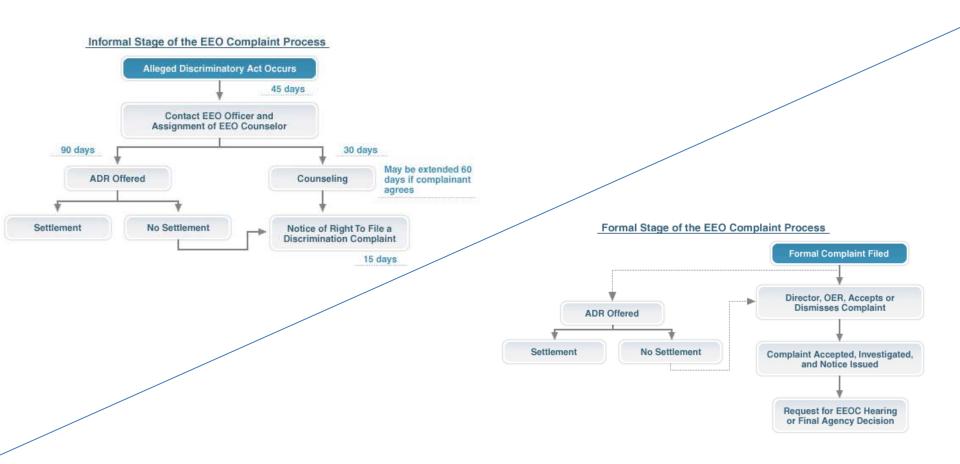

An employee, applicant, or former employee contacts the EEO office within 45 calendar days of an alleged discriminatory act (an action has to have occurred)

It is the employee/applicant's PERCEPTION of the alleged discriminatory act

COMPLAINT PROCESS

ALTERNATIVE DISPUTE RESOLUTION

Alternative Dispute Resolution (ADR) is "any procedure that is used to resolve issues in controversy, including, but not limited to, conciliation, facilitation, **mediation**, fact finding, mini-trials, arbitration, and the use of ombuds, or any combination thereof."

Administrative Dispute Resolution Act of 1996

- Mediation is the Navy's preferred method of early resolution.
- Mediation is a process in which an impartial third party assists in finding a mutually acceptable solution to their dispute.
 - It is both voluntary and confidential

DISABILITY

❖Three-part definition:

- A physical or mental impairment that substantially limit or more major life activities;
- ❖ A record of having such an impairment;
- Being regarded as having a disability

❖ However, Congress has changed the meaning of key terms used in these definitions and has broadened the definition and scope of what is now considered a disability

REASONABLE ACCOMMODATIONS

What is a reasonable accommodation?

Any change to a job, the work environment, or the way things are usually done that allows an individual with a disability to apply for a job, perform job functions, or enjoy equal access to benefits available to other individuals in the workplace.

Reasonable accommodations are modifications or adjustments for:

- **❖ Job application process** (large print or Braille)
- Performing the essential functions of the job (interpreters, readers, computer software/hardware)
- ❖ Removing physical barriers to enable employees with disabilities to enjoy equal benefits and privileges (office, cafeteria, etc. that comply with Federal Accessibility Standards)

REASONABLE ACCOMMODATIONS (CONTRACTORISME ACCOMMODATIONS (CONTRACTORISME)

Who can request a reasonable accommodation?

- ❖ An <u>employee</u>, <u>family member</u>, or <u>representative</u> of the employee may let the employer know that (s)he needs an adjustment or change at work for a reason related to a medical condition
- ❖ A <u>supervisor</u> when (s)he:
 - Knows that the employee has a disability,
 - Knows, or has reason to know, that the employee is experiencing workplace problems because of a disability,
 - Knows, or has reason to know, that the disability prevents the employee from requesting a reasonable accommodation
- ❖ An <u>applicant</u> during the application process

REASONABLE ACCOMMODATIONS (CONTRACTORISM WARFARE CENTERS

How is a reasonable accommodation requested?

- ❖ A request does not have to be in writing
- ❖ There are no magic words plain English, the words 'reasonable accommodation' need not be used

When it is communicated by the employee or other appropriate individual that there is a need for an adjustment or change at work for a reason related to a medical condition,

the RA process begins.

REASONABLE ACCOMMODATIONS (CONTRACTORISME ACCOMMODATIONS (CONTRACTORISME)

When is medical documentation required?

- When a disability and/or the need for accommodation is not obvious, management may ask the individual for medical documentation regarding his/her disability and functional limitations
- ❖ Reasonable documentation is the only documentation needed to establish that the person has a disability under the ADA and that the disability necessitates a reasonable accommodation

REASONABLE ACCOMMODATIONS (CONTRACTED MARGARE CENTERS

Decision to Accommodate

- A qualified employee with a disability is entitled to an <u>effective</u>
 <u>accommodation</u>, not the accommodation of choice
 - Must be sufficient to meet job-related needs of the individual
 - Must remove workplace barrier(s) that impede employment benefits
- The employee's supervisor is responsible for the final decision
 - ❖ The supervisor has the right to deny the request as they see fit

REASONABLE ACCOMMODATIONS (CONTRACTORISME ACCOMMODATIONS (CONTRACTORISME)

Decision NOT to Accommodate

- ❖ An accommodation may be denied only when:
 - The individual is determined to not have a disability, as defined under the ADA/Rehab Act
 - The person cannot perform the essential functions of the job with or without an accommodation, and reassignment efforts were unsuccessful
 - The accommodation creates an undue hardship
 - The individual posed a direct threat to health or safety

REASONABLE ACCOMMODATIONS (CONTRACTORISME ACCOMMODATIONS (CONTRACTORISME)

Denials of RA Requests

- Written notification
- ❖ If an alternate reasonable accommodation is offered, justification for that decision should be explained
- Must provide an explanation of informal procedures available for a review of the denial action
 - Informal discussion with decision-maker
 - Appeal to next level of supervision
 - ADR (EEO complaint not required)
 - File EEO complaint based upon denial

POINTS TO REMEMBER

- ❖ All EEO complaints are filed against the Secretary of the Navy
- Managers MUST support the EEO process failure could result in a finding against the Navy
- Complaints are filed on the employee/applicant's <u>perception</u> of discrimination
- ❖ EEO Counselors have the authority to request documentation and interview witnesses to complete an inquiry
- Mediation is a cost-effective way to resolve disputes
- ❖ EEO Office does NOT determine merit (i.e., whether or not discrimination occurred)
- ❖ If the complaint starts with you, YOUR agency is financially responsible

 - Audits/surveys routinely conducted of operations to ensure safety of the public.
 - Personnel working in these areas are monitored by dosimeter
- Obey warning signs Ionizing radiation warning signs have a magenta trefoil with a yellow background

Types of Radiation

 Non-ionizing radiation – lasers, radiofrequency (RF) emitters, visible light – sunlight, indoor lighting (does not change cell structure or DNA - normally not harmful)

 Ionizing radiation- radioactive sources/x-ray devices, gamma and all particle radiation from radioactive decay (may cause change to cell structure or DNA - harmful under conditions)

Radiation Dose

- Per NAVMED P-5055, the annual exposure limit for radiation workers is 5,000 mrem p/yr. Per RAD-010, the Navy has further reduced the annual limit for these workers to 500 mrem p/yr.
 - Radiation exposures which were compliant with these annual limits have been scientifically proven to cause no injuries to man.
- While working adjacent to these areas at NSWCCD your radiation dose will not exceed 100 mrem in a year from RASP-controlled sources. (Equivalent to normal sunlight exposure per year)

NMCI: Navy Marine Corp Intranet

- •Provides the Department of the Navy (DoN) with a full range of network-based information services on a single, enterprise wide intranet.
- •In order to access the NMCI network, users must obtain a common access card (CAC).
- https://homeport.navy.mil/home or (866)-843-6624

What is it?

The CAC is used to access buildings and our computers.

Each CAC contains a computer chip and a bar code which both hold important personal information.

How do I obtain my CAC?

Step 1: Your Administrative Officer (AO) will get your SF-50 (personnel action) from Total Workforce Management System (TWMS).

- Information will then get populated in DEERS
- An email will be created for you

How do I obtain my CAC?

Step 2: Visit a CAC Badge Office Nearby

*The Carderock CAC Office is located in the visitor's center, BLDG 20. The CAC Office services (& CAC Pin reset) will officially stay open as long as the government remains open.

Due to COVID-19 situation, beginning Monday, April 6, 2020, the Carderock CAC Office will be Appointments Only with the exception of CAC Pin Resets. There will be a COVID-19 screening questionnaire station setup in the hallway with signage and the CAC office door secured. A CAC Office staff member at the door will let in appointments and CAC Pin Resets customers after they have answered the COVID-19 questionnaire over the phone. No persons will be allowed entry without answering the screening questionnaire. A staff member will also be contacting scheduled appointments on the day prior in order to brief them on this temporary updated screening questionnaire process. This new precautionary process, in addition to the existing processes, we remain in place to prevent the spread the COVID-19 threat and to keep the staff and customers safe. Use RAPIDS website to schedule and view available appointment times.

The only limitation is that there cannot be more than 10 people in the CAC office on any one given time

How do I obtain my CAC?

Step 3: Activate your CAC by calling NMCI: (866)-843-6624

Please see next slide for list of nearby CAC office locations and their respective hours of operations.

Child Care® Aware

Child Care Aware® is a nonprofit initiative that helps prospective child care providers locate information on starting, staffing, and sustaining a child care business. We do this by working closely with local child care resource and referral agencies nationwide, and by connecting providers with the agencies best equipped to serve their needs.

Child Care Licensing

Many states have different levels of regulatory requirements and use different terms to refer to these levels (e.g., licensing, certification, registration). Visit our state-by-state map to learn more about child care licensing regulations in your state.

Child Care Aware Training Academy™

Child Care Aware® of America's online training courses are designed to help early childhood professionals complete annual training requirements and acquire required training hours for those seeking a Child Development Associate (CDA) credential, CDA credential renewal or in-service training. Our courses provide a variety of engaging topics designed specifically for the early childhood professional.

Disaster Preparedness

Natural disasters and emergencies may occur at any time. It is important as a child care provider to have an emergency plan in place. You want to be able to assure parents your have a plan in place to protect their child if such an emergency should effect your child care. Child Care Aware® of America has developed a new website, ChildCarePrepare.org that assists both family child care providers and child care centers plan and prepare for various disasters.

Top Four Topics

- 1. Gifts
- 2. Financial conflict of interest
- 3. Impartiality
- 4. Misuse of Position
- 5. Hatch Act

Gifts From an Outside Source

What is a Gift?

Unless permitted by exception, an employee may not solicit or accept gifts

- From a prohibited source (e.g., Navy contractor)
- Given because of official position (e.g., local country club offers free membership to CO of an installation)

Gifts from Outside Source

Even if an exception exists, employees should consider declining an otherwise permissible gift if they believe that a reasonable person with knowledge of the relevant facts would question the employee's integrity or impartiality as a result of accepting the gift.

Some relevant factors to consider are whether --

- (1) The gift has a high market value;
- (2) The timing of the gift creates the appearance that the donor is seeking to influence an official action;
- (3) The gift is provided by a prohibited source;
- (4) Acceptance would provide the donor with significantly disproportionate access

Gifts From an Outside Source

Exception to gift prohibition

- Gifts of \$20/less per occasion and no more than \$50 from one source in a calendar year; (focus is FMV [or face value] of gift)
- Gifts motivated by personal or family relationship
- Gifts based on outside business or employment relationship
- Widely attended gatherings
- Social invitations from non-prohibited source
- Meals in foreign areas

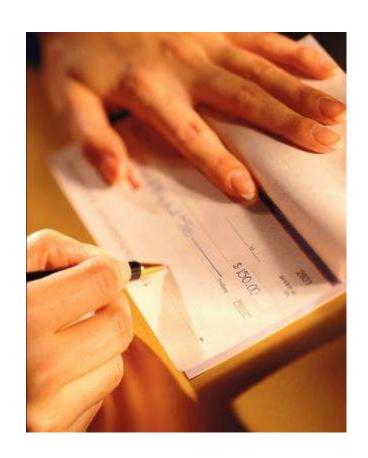

Gifts From an Outside Source

What should I do with a prohibited gift?

- Return it
- Pay fair market value
- If perishable, give to charity, share among co-workers or destroy
- Reciprocation is not allowed

Gifts Between Employees

Unless there is an exception, the general rule is that an employee shall not give his official superior a gift

- Two exceptions:
 - Occasional Basis
 - Special Infrequent Occasion

Occasional Basis

- Items, other than cash, with a value of \$10 or less (e.g., birthday, holiday)
- Food and refreshments shared in office
- Personal hospitality at residence
- Items given in connection with receipt of personal hospitality

Gifts Between Employees

Special Infrequent Occasion

- Personal significance such as marriage, illness, birth, or adoption of child
- Termination of superior-subordinate relationship such as retirement, resignation or transfer

*NOTE: JER limitation of \$300

Conflicting Interests

Two Laws

18 U.S.C. **SECTION 208 Criminal** Statute Conflicting **Financial Interest**

5 C.F.R. **SECTION** 2635.502 **Standards of** Conduct Regulation **Appearance** of Partiality

Prohibits government employees from taking official action with respect to a particular matter if

- They have a financial interest in the matter, and
- The particular matter will have a direct and predictable effect on that interest.

Example:

- You own stock in Raytheon
- You are asked to serve on a technical evaluation panel where Raytheon is one of the offerors
- Do you have a conflict?

Note: \$15,000 exemption in a matter

282

18 U.S.C. SECTION 208 (Continued)

Financial interests of the following are imputed to the government employee:

- Spouse
- Minor child
- Organization which the employee serves as officer, director, general partner or employee
- Person with whom employee is negotiating for employment

Example:

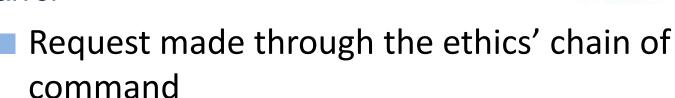

- Your spouse's grandmother died last year and left him/her Lockheed Martin (LM) stock.
- You are evaluating a proposal submitted by Lockheed Martin for a NSWCCD requirement
- Do you have a conflict?

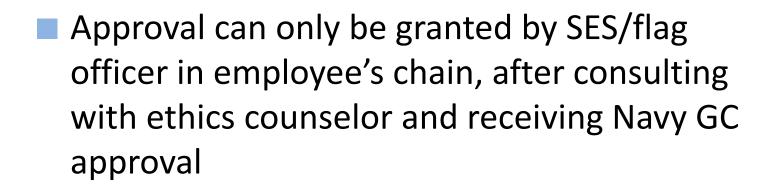

18 U.S.C. SECTION 208 (Continued)

Remedial Action: 208 Conflict

- Recusal/Disqualification
- Divestiture
- Waiver

5 C.F.R. SECTION 2635.502 (Impartiality)

Appearance of Partiality

- If there is no 18 U.S.C. 208 conflict of interest, a government employee may still have an appearance problem under the Standards of Conduct Regulation 5 C.F.R. 2635.502
- Do not participate in a matter, without written supervisory approval, if
 - The matter is likely to affect the financial interests of a member of the employee's household, or
 - A person with whom the employee has a "covered relationship" is involved in the matter

5 C.F.R. SECTION 2635.502 (Continued)

An employee has a covered relationship with, for example:

- A member of the employee's household
- A relative with whom the employee has a close personal relationship
- A person for whom the employee's spouse, parent or dependent child is an employee
- Any person with whom the employee has been employed within the last year
- A person with whom the employee has a business or financial relationship
- An organization in which the employee is an active participant (e.g., committee chairperson)

5 C.F.R. SECTION 2635.502 (Continued)

Example 1:

- Your brother recently was hired by Northrop Grumman
- You are serving on an evaluation panel where NG is one of the offerors

Example 2:

- You were hired six months ago you had been working at General Dynamics (GD)
- You do not own GD stock
- You are asked to serve on an evaluation panel for GD

Misuse of Position

-Use of public office for private gain.

-Endorsing any product, service, or company.

-Use of nonpublic information

-Misuse of government property or official time

Use of Public Office for Private Gain

Example: You were asked by a friend to find out why his grant application has not yet been granted by the Office of Naval Research (ONR). You call over to a colleague at ONR to find out the status of your friend's grant application.

Example: You have an outside business selling cookware. You invite your subordinates to your house this weekend to participate in a cookware party where you will be selling your cookware.

Endorsements

You may not use, or permit someone else to use, your official authority to imply the government endorses any personal activity

- Be wary of interviews to discuss effectiveness of product
- Letters of reference are acceptable in certain circumstances
- Fundraising and official speech

Use of Non-Public Information

Example: In your private capacity, you are involved in an organization to save the whales. You become aware of a Navy project that has not yet been released to the public. You are concerned the project may harm the whales.

Can you inform your organization about the Navy project?

Misuse of Government Property or Official Time

You may only use government property for official and authorized purposes.

 You may not use it to send emails about your personal business. (JER).

You may not use official time to conduct your personal business.

Hatch Act

- -Applies to Executive branch employees of the Federal Government
- -Limits certain political activity in the work place
- -But Why?
 - ➤ To ensure federal programs are administered in a nonpartisan fashion
 - Protect employees from political coercions in the workplace
 - ➤ Ensure federal employees are advance based on merit and not political affiliation.
